

Church of Saint Benedict

Sesquicentennial Celebration

We are creating a remembrance book of our parish to celebrate our first 150 years. People, gatherings and activities are a significant part of who we are as the Church of St. Benedict. ***Please help us create this book by sharing your stories to celebrate our history.*** Please complete any or all questions/topics as you desire. Drop off your reminiscences in the collection basket, at the parish office or in the box in the Gathering Place. *If you have more memories than you can include here, feel free to add additional pages!* If you are interested in visiting with parishioners to hear and record stories, please indicate that at the end of this form as well.
